TRACING BETTER LIFE

#Youth

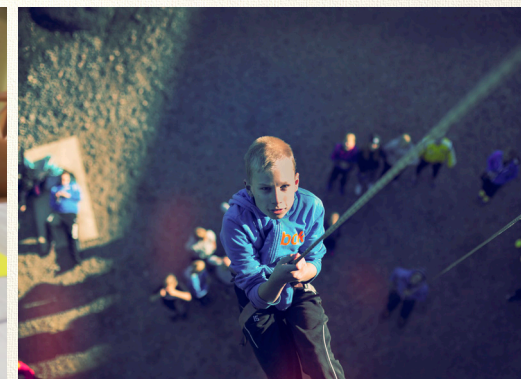

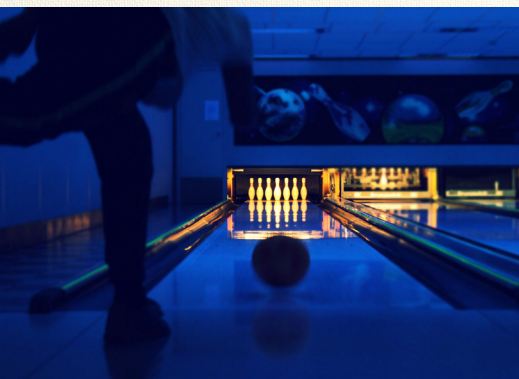

Every year, Piispala organizes over 300 schools camps for over 7000 children. In addition, we host sports camps, language camps, international camps and youth exchanges. In our non-formal education setting with the emphasis on experiential learning, children and young people will learn new skills, get new experiences and have fun.

#Family Holidays

Piispala's family holidays offer fun and activities for the whole family. Spending time together, doing activities and relaxing in the surrounding nature offer an unforgettable experience for the whole family.

#Facilities and Services

Our services include full board, instructed activities and excellent service. Our versatile facilities include accommodation options for up to 400 persons, swimming hall, sports halls, climbing tower, bowling alley, ice rink, handcrafts classrooms, meeting rooms and much more in the nature.

#About us

Youth Center Piispala is the biggest of the 9 national Youth Centers supported by the Finnish Ministry of Education and Culture. Piispala is located in the middle of the beautiful region of Central Finland at Lake Kivijärvi. Since its foundation in 1982, Piispala has always been a favorite destination for youth camps as well as family and sports holidays.

One of our main goals is to maintain the development of the local, national and international youth work and to serve as a versatile center of sport activities and education. Now, with the commitment of our 50 employees to excellent customer services, Piispala has achieved over 53,000 accommodation days and 75,000 accumulated course days annually.
